Additional courses and training are made available on request,

I JOINED THE COMPANY IN 2007 AS A STUDENT & NOW WORK AS THE MANAGER AT YATE

Having started at Little Acorns & Stepping Stones, as a student in 2007, I was formerly taken on in 2008.

I have worked at all the locations over the years. In 2010 I left the company to work for a large chain of nurseries.

I re-joined the company in 2010, as assistant Deputy Manager at the speedwell nursery.

In July 2013 I was offered the role of job share Deputy Manager at the Yate nursery, which I was happy to take.

By Sept 2013 I was promoted to Manager, and love my role, which is challenging but rewarding.

I feel the company has shown confidence in my ability and has supported me in my career progression.

Liz Newcombe – Manager
